

As the new QUALANOD Specifications includes now four types of Anodizing (Architecture, Industrial, Decorative and Hard Anodizing) the process of implementing new logos were put in place. QUALANOD encourages all licensees to replace the old logo as soon as possible but at the latest by the end of 2018.

A new generic QUALANOD logo will be used by the QUALANOD secretariat only.

Generic QUALANOD logo:

Four types of licences:

Label for Architecture

Label for Industrial

Label for Decorative

Label for Hard Anodising
